

Printing from the NYMC public computers

Public computers are located in the SHSP Computer Lab, MEC Modules and the BSB Library

- You **MUST** Login to the public computers with your NYMC network account to send and retrieve print jobs
- Select the **Black (on unflowserv)** printer to submit jobs that you want printed in black only and at the black price. Black print jobs will appear at all 5 copiers in all 3 locations
- Select the **Color (on unflowserv)** printer (if possible) to submit jobs that you want printed in color only and at the color price. Color print jobs will only appear at the black/color copier in the Library. Print **ONLY** the pages of your document that you want in color.
- Use your NYMC Badge or NYMC Login account at the copier to release your prints

All documentation and support is located at <http://complab.nymc.edu/print>
